INDICTMENT

The Grand Jury charges:

COUNT ONE  
CONSPIRACY TO COMMIT MAIL AND WIRE FRAUD

A. Introduction

At all times material to this Indictment:

1. Botfly, LLC (hereinafter "Botfly") was a Florida limited liability company incorporated on or about September 13, 2005, with a principal place of business at 12709 Clocktower Parkway, Bayonet Point, FL 34667, in the Middle District of Florida.

(N) The conspirators represented that Botfly was in the business of foreign currency trading <sup>WHEN IN</sup> ~~in when~~ fact, Botfly used only a small percentage of investor money for trading.

2. DAVID R. LEWALSKI was the founder, purported principal trader, and promoter of Botfly who operated a scheme to defraud victim investors by claiming he could generate returns of up to 10% per month by trading on the foreign currency market, when in fact he operated a Ponzi scheme and paid victim investors with other victim investors' funds.

3. The foreign exchange ("forex") market is a worldwide decentralized market for the trading of currencies. The primary purpose of the forex market is to assist international trade and investment by permitting businesses to convert one currency to another.

**B. The Conspiracy**

4. Beginning at least in or around September 2005, and continuing through at least on or about November 4, 2010, in the Middle District of Florida and elsewhere, the defendant,

DAVID R. LEWALSKI,

did knowingly and willfully combine, conspire, confederate, and agree with others, both known and unknown to the Grand Jury, to commit certain offenses, to wit:

a. execute and attempt to execute a scheme and artifice to defraud, and to obtain money and property by means of false and fraudulent pretenses, representations, and promises, by utilizing the United States mail and private and commercial interstate carriers, for the purpose of executing such scheme and artifice, in violation of Title 18, United States Code, Section 1341; and

b. execute and attempt to execute a scheme and artifice to defraud, and to obtain money and property by means of false and fraudulent pretenses, representations, and promises, by transmitting and causing to be transmitted by means of wire communications in interstate and foreign commerce, writings, signs, signals, pictures, and sounds for the purpose of executing such scheme and artifice, in violation of Title 18, United States Code, Section 1343.

**C. Manner and Means of the Conspiracy**

5. The manner and means by which the conspirators sought to accomplish the objects and purposes of the conspiracy included, among other things, the following:

a. It was part of the conspiracy that the conspirators would and did represent to victim investors that they could generate returns on victim investor funds of up to 10% per month by trading their funds in the forex market.

b. It was further part of the conspiracy that the conspirators would and did give victim investors promissory notes containing material false statements, to wit, that the victim investors would receive, in most instances, a 10% return on their investments per month and that Botfly would repay the balance owed on the notes within 14 days of receiving written notice.

c. It was further a part of the conspiracy that the conspirators would and did establish a website, Botflyllc.com, and provide victim investors with a log in and password. The website would display monthly statements for victim investors that purported to show the victim investors' supposed accrual of investment returns each month.

d. It was further part of the conspiracy that the conspirators would and did keep the majority of victim investor funds in domestic bank accounts to pay other victim investors and to enrich themselves, rather than transferring the funds to forex trading accounts, as promised.

e. It was further part of the conspiracy that when victim investors would request disbursements of the supposed returns accruing to their accounts, the conspirators would and did pay victim investors with other victim investors' money,

thereby creating the illusion that the fraudulent investment program was a solvent, profit generating enterprise earning actual returns.

f. It was further part of the conspiracy that the conspirators would and did use Botfly victim investor monies to spend lavishly on themselves and their associates for such things as high end real estate, private jet travel, luxury automobiles, designer clothing, and jewelry.

g. It was further part of the conspiracy that the conspirators would and did conceal, misrepresent, and hide, and cause to be concealed, misrepresented, and hidden, the purpose of acts performed in furtherance of the conspiracy.

All in violation of Title 18, United States Code, Section 1349.
